OFFICE OF THE GOVERNOR

STATE OF MONTANA

MARC RACICOT
GOVERNOR

STATE CAPITOL
HELENA, MONTANA 59620-0801

Dear Fellow Montanans:

We are embarking now on the final year of this century and the current millennium. It is an historic time. And since, as humans, we all have a term limit of sorts, it is unlikely that any of us will be in our office the next time this happens. So it is a good time to take stock.

There is much to note.

We have, as co-workers, brought our God-blessed state through more than a half-decade of change. Working together, we have changed the State Fund from a fiscally crumbling institution sapping our economic energies into a financially strong institution that can protect Montana workers and no longer cripple growth. Working together, we have put state government through likely the most drastic reorganization in Montana history, aligning its functions for a new era, new technologies and new customer expectations.

Working together, we have reformed an ancient welfare system to continue to help our neighbors in difficulty and to restore hope and dignity while inserting accountability to those people who pay for it. We have reformed tax systems and administrative rules. Working together, we are designing a new statewide computer system. We are rebuilding in many basic ways the Capitol itself, the physical symbol of our statehood, which means that this year many of us, including the Governor's Office, will be forced out of the building into temporary quarters.

As always, open communications are a hallmark. To facilitate quality communications, you have in your hand the 1999 State Government Telephone Directory. Again this year, we are featuring on the cover the families of several state workers. They too are symbolic, both of the many families whose members labor on the public's behalf all over our 148,000 square miles and of the larger family that Montana is and must always remain.

May this last year of the century be a healthy and happy one for you and your families and may it augur well for the future of the Treasure State as, together, we all apply our unique individual imaginations and energies to help guide it into a new millennium.

Warmly,

MARC RACICOT
Governor

SUBJECT: State Telephone Directory

Enclosed with your state telephone directory are corrections for several departments that contained errors. Unfortunately, we experienced problems with the final merge process before sending the directory information to the printers. The inserts are meant to replace organizational listings for those agencies we found a problem with. Please insert them into the appropriate places within your telephone directory.

On behalf of the staff that worked on this year's directory and Information Services Division of the Department of Administration, I would like to apologize for any inconvenience the errors have caused.

SERVICES FOR CUSTOMERS WITH DISABILITIES

Montana Relay Service

Montana Relay Service is a communications service that links deaf, hard of hearing, speech-impaired, and hearing people via the telephone. To use this service, dial the appropriate number below. Give the agent the number you would like to call, and he or she will stay on-line to relay the conversation. You can talk directly with the person you are calling. All calls and information are confidential. This 24-hour relay service is provided at no cost to callers. Long distance calls will be billed accordingly.

ELECTRONIC BULLETIN BOARD SYSTEM

The State of Montana Electronic Bulletin Board System provides the public with access to a variety of state government information. Individuals with a personal computer and modem can dial into the electronic bulletin board and view or download information such as hourly weather and road conditions, public meeting notices and agendas, legislative information, Supreme Court decisions, farm and ranch market news, requests for bids or proposals, and much more. The access numbers are as follows:

TOLL FREE IN MONTANA . . . . . (800) 962-1729

STATE TELEPHONE NETWORK (STN) USAGE

The state's telecommunications facilities are provided for the conduct of state business. In addition to state business, the state's telecommunications facilities may be used by state employees and officials for local and long distance calls to latch-key children, teachers, doctors, day care centers, baby sitters, and family members to inform them of unexpected schedule changes and other essential personal business. The use of the state's telecommunications facilities for essential personal business must be kept to a minimum and not interfere with the conduct of state business. Essential personal long distance calls must be collect, charged to a personal third-party number, or charged to a personal credit card.

The state's telecommunications facilities include any state-owned, leased, contracted for, operated, or maintained telecommunications equipment, services, or facilities, including private branch exchanges, telephone key systems, teleconferencing systems, local and long distance telecommunications circuits,cellular telephones, data communications equipment, video capabilities, land mobile radio equipment, telephone credit cards, facsimile equipment, and voice mail.

All in-state and out-of-state calls made on the State Telecommunications Network (STN) are billed to the originating state telephone number.

TROUBLE REPORTS

Report telephone service or equipment trouble conditions to 444-4455. There is no charge for repairs unless work is performed after normal business hours. Report data network or LAN problems to 444-2000.
Report Cellular telephone service or equipment trouble condition to 800-473-2946 Ext.3

STATION ADD/MOVE/CHANGE REQUESTS

Telephone Service Request (TSR) forms are required for installation, modification, removal, or other changes to your service. Requests must be submitted through your telephone coordinator. TSR's should be submitted to the Telecommunications Operations Bureau at least 15 days prior to date of change. This will allow both technical and financial options to be reviewed and ensure accurate processing of the service request.

Telecommunications technicians are the only authorized personnel having permission to unplug, plug in, move, and take apart telephone equipment, modular cords, and jacks. Conduit or raceway is required for all new telephone jacks.

CONFERENCE CALLS

There are five ways in which conference calls can be made:

1) Single-line phones can be used to set up a three-party conference call: Call the first party, and when they are on the line, flash the hook switch; after the three beeps and dial tone, dial the second party; announce the conference; flash the hook switch to connect both to you.

2) Multi-line sets can be used to set up a six-party conference; however, the conference is limited to three off-capitol complex conferees in the following manner: Call the first party, and when they are on the line, press the Conf 6 button; after the three quick beeps and dial tone, dial the second party; announce the conference; press the Conf 6 key again to connect all three of you; repeat for the additional calls.

3) Purchase a speaker phone attachment for your electronic (SL-1) telephone. This speaker allows people in your office to hear the conversation. You can make one call or conference in up to five additional calls on the phone. Your telephone coordinator will assist with this.

4) For larger rooms and more people participating, borrow a teleconference unit from the Telecommunications Operations Bureau (call 2586) to be used in your office or a conference room on the capitol complex (you must use a single-line jack). The instructions for use are included with the equipment. This system works well when a group of people in a room want to talk to one person off campus, such as during a job interview. A large speaker sits in the center of the table so that all people can participate in the conversation.

5) Confer Tech Teleconferencing Bridge (24 line), which is located in the Mitchell Building. The bridge can be operated in one of the following three ways: a) Manual meet-me - All participants call in at a predesignated time and are connected to the conference under the control of the operator; b) Automatic meet-me - Incoming calls are answered and conferenced automatically; or c) Operator dial-out-Operator dials all conferees, calling the moderator last.

See following page for usage and setup charges.

GENERAL INFORMATION

Conference calls using the bridge should be scheduled at least 1 day in advance.

USAGE. Toll charges based upon the state's current network rate will be charged for all conference connections. Actual cost will vary based on time, distance, and the number of conference connections.

SETUP CHARGE. Based on the number of conference participants per conference, the following setup charges will apply:

Number of Participants	Set-up Charge
1 to 5	$10.00
6 to 10	$20.00
11 to 15	$30.00
16 to 20	$40.00
21 to 24	$50.00

For further information call 444-2511.

4 - Within Capitol Complex, plus local, intrastate, interstate long distance, and direct distance dialed international calls

If you receive ten beeps when making a call, the class of service on the line will not allow that type of call. See your telephone coordinator.

LONG DISTANCE COSTS

All long distance invoicing is prepared by the State Telecommunications Operations Bureau in Helena and then distributed and billed to various agencies monthly.

State long distance direct dialed intra-state and inter-state calls are billed at $0.14.5 per minute days and $0.10 per minute nights, weekends and holidays. State 800 calls are billed at $0.11 per minute. State international call rates you may call 444-2586. Credit card calls are discounted 25% of SPRINT rates.

TELEPHONE CALLING CARDS (Business Only)

Credit cards are distributed by the Telecommunications Operations Bureau. Contact the Telecommunications Operations Bureau at 444-2455 with your questions. Requests for credit cards should be submitted through your agency telephone coordinator to the Telecommunications Operations Bureau. Invoicing is included on the State Telecommunications long distance telephone bill.

TO USE THE SPRINT VPN FONCARD CREDIT CARD (gold State of Montana logo in the upper left-hand corner):

IN-STATE: Dial 800+877-8000, receive dial tone, dial 0+406 plus the 7-digit number you are calling, then enter credit card PIN number when prompted by the tone.

INTER-STATE: Dial 0+800-877-8000, receive dial tone, dial 0 plus the number you are calling (including area code), then enter credit card number and PIN number when prompted by the tone.

INTERNATIONAL: Dial 8+1+800+877+8000, listen for tone. Dial 01 + country code + city code + local number, then enter credit card number and PIN number when prompted by the tone. Please remember that not all international calls can be directly dialed, so you must call the Sprint operator. Your credit card will also work from a foreign country to the USA.

To make more than one call, do not hang up after the first call; press the # button for 2 seconds and enter the next number you wish to call; there is no need to re-enter your card number.

TELEPHONE DIRECTORY CORRECTIONS

Telephone System Information and Departmental Listings - Call or write to the Telecommunications Operations Bureau, 444-2586.

Individual Listings and Staffing by Department - Request your agency telephone coordinator submit the Personnel Directory Form to the Telecommunications Operations Bureau. The corrections will be entered in the telephone operator's computerized directory immediately and be used to update the printed directory.

CAPITOL COMPLEX INFORMATION

This directory is published by the Telecommunications Operations Bureau. If you have any questions, please call 444-2586. The state government operators handle capitol complex information and will connect callers to the proper agency. The hours are 7:30 a.m. to 5:00 p.m., Monday through Friday; closed weekends and holidays.
